---

**Pricing:**      All pricing is based on full carton quantities where quantity is indicated in the "Carton Qty." column. Discrepancies should be made in writing within 15 days from the receipt of invoice and include all documents that support your claim. All pricing is subject to change without notice. To reduce errors, please include the pricing on your purchase orders.

**Standard Packs:**      Orders for less than Carton Quantities will be increased to meet the full carton quantities.

**Returned Goods:**      All returned goods require prior approval by our authorized representative and a RGA (Returned Goods Authorization) number prior to their return. Only current catalog part numbers, in their original factory condition, are eligible for credit. Authorization will be considered if request is made within 90 days of shipment and only if credit can be applied to a specific invoice. To obtain an RGA, please contact our Customer Service Department and specify the reason for the return.

A credit memo will be issued upon final inspection of returned goods. To expedite the process, place RGA number on all cartons, bills of lading and debit memos. Returned goods must be shipped freight pre-paid and are subject to a 15% handling charge.

**Our Mission:**

Based in southern California, Hampton Products International Corporation has been in operation since the early 1990's. In late 2008, Wright Products joined the family, adding to Hampton's portfolio of high quality products that include: residential locksets, lighting, timers, builder's hardware, exterior door hardware, cargo management, winches, electronics and portable security.

Hampton's business philosophy is based on providing high quality, innovative products, delivered on time, every time at competitive pricing. This is the same philosophy that Wright Products historically embraced to become the dominant supplier in the S&SD category. Our commitment to you is that we will continue to provide innovative functions, coupled with exciting new designs and finishes to enhance your revenues and maximize your margins. We realize that we succeed only when you succeed.
